## NEW YORK

Maxim Healthcare Services is an established leader in home healthcare, behavioral care, healthcare staffing, personal caregiving, and population health and wellness services across the United States. As a recognized provider of a comprehensive suite of services, we have been making a difference in the lives of our employees, caregivers, and patients for 30 years. Our home healthcare locations and divisions deliver a comprehensive level of care in the comfort of patients' homes. We provide home healthcare services for adult, senior, and pediatric patients with a variety of conditions and needs. Our caregivers will work with the patient, family, and physician to implement a plan of care that promotes quality through management assessments and progress updates.
